Candidates are advised to submit a 150 word 'election manifesto' in the event of a contested election.

PLEASE READ BEFORE COMPLETING - There are 2 ways to complete the form, they cannot be mixed:

1. **MANUALLY:** Get the Proposer, Secunder and Candidate (yourself) to fill in all the relevant boxes, with at least the signature and date completed by hand. Ignore all the forwarding instructions. Post the completed form to the Returning Officer or scan the completed form and e-mail it. or
2. **ELECTRONICALLY:** Forward the form to each person in sequence by email (e.g. proposer, secunder and candidate). Complete the section relevant to you (signatures are not required, but can be scanned), and forward the email you received to the next person, remembering to attach the edited version of the form.
