May 2013

## NOTICE OF EXTRAORDINARY GENERAL MEETING

Dear

In accordance with the Green Liberal Democrat constitution, we hereby give notice of an Extraordinary General Meeting of the Green Liberal Democrats (GLD), scheduled for next month.

The meeting is scheduled to occur straight after this year's Green Liberal Democrat Annual Conference, which takes place on Saturday 15th June 2013 at the University of the West of England, Bristol. A flyer with the latest details about the conference is enclosed.

The Extraordinary General Meeting has been called to discuss proposed changes to the GLD constitution (see enclosed). The election process for GLD Executive last year flagged-up a few issues with the rules within our constitution re timings etc. We are keen to have these tidied up in advance of the next elections to GLD Executive (scheduled as usual for our AGM at Autumn Federal Conference) - hence why we are proposing to have an EGM at our own Annual Conference next month to do that,

Please take a look at the attached documents, and if you have any questions etc on this, please do let me know (preferably via email at the address above).

If you haven't already considered attending our Annual Conference on 15th June there are a limited number of spaces still available. It would be great to see you at what promises to be an excellent event for the environmentally-minded within our Party.

Best Regards,

**Steve Bradley**

Chair - Green Liberal Democrats

***P.S. Limited spaces are left for our Annual Conference on 15th June, so sign up today if interested.***
